FLOW SUSPENSION

NEW LIGHTING DESIGNS

Flow Suspension embodies the notion of complete customization, allowing each piece to be tailored to fit the unique aesthetic of any space. It's a completely customizable modern lighting fixture that can be designed with different sizes and curve configurations. The flowing lines and graceful forms invite a sense of movement, creating an infinite feeling that elevates the ambiance of the interiors. Whether it's a soft, ambient glow for a cozy evening or a brilliant illumination for lively gatherings, "Flow" adapts seamlessly to any occasion.

CORAL
WALL LIGHT

A Breathtaking Fusion of Artistry and Luxury

The **Coral Collection** is a stunning tribute to the natural world, where Portuguese craftsmanship and nature meet in perfect harmony. Each piece is meticulously handmade from premium brass, with intricate detailing that evokes the delicate beauty of coral reefs beneath the sea. The collection's unique design features fluid, organic shapes, capturing the essence of oceanic life and the graceful movement of underwater currents.
