## *Brass Crafting Masters*

Brass handling is the history and foundation of Castro Lighting. The entire production process is made in the brands' own factories in Portugal. Experienced craftsmen work to keep the tradition of brass crafting alive, being our responsibility to inspire and empower future generations to keep the tradition alive.

# *Meet Mondrian Collection*

Enter a realm of artistic purity and aesthetic brilliance with the Mondrian Collection, inspired by the iconic Piet Mondrian. Like the master himself, this collection embraces the power of simplicity, showcasing geometric squared shapes that pay homage to his extraordinary artwork.

*Unleash the simplicity of form  
as an inspirational masterpiece.*
