

The image features a background of soft, watercolor-style washes in shades of cream, beige, and light pink. On the left and right sides, there are illustrations of jewelry pieces. On the left, a portion of a necklace is visible, featuring a large, detailed monstera leaf at the top and a butterfly charm at the bottom, both in a brownish-gold tone. On the right, a necklace is shown with a large monstera leaf charm at the top, a teardrop-shaped pendant in the middle, and a butterfly charm at the bottom, all connected by a chain of small beads. The text 'Rainforest' is written in a large, elegant, cursive script, and 'COLLECTION' is written in a smaller, clean, sans-serif font directly below it.

COLLECTION

## *Brass Crafting Masters*

Brass handling is the history and foundation of Castro Lighting. The entire production process is made in the brands' own factories in Portugal. Experienced craftsmen work to keep the tradition of brass crafting alive, being our responsibility to inspire and empower future generations to keep the tradition alive.

# *Meet Rainforest Collection*

The Rainforest Collection arose from the timeless lighting celebration of nature silhouettes, its elements, and movements. Immerse yourself into the magnificent atmosphere of the sparkling rainforest where the art of brass craftsmanship becomes luxury lighting design. The ultimate fusion between the artistic design, authenticity of traditional Portuguese metal-work techniques, and creative craftsmanship.
